RUMANIAN MEAT, FISH, AND DAIRY PRODUCTS, QUOTA DELIVERIES

LARGE HATCHERY STARTS OPERATION IN ARAD -- Bucharest, Romania Libera, 26 Mar 53

A large hatchery with a capacity of 64,000 eggs recently started operation in Arad city. The building was constructed and the equipment and machines were bought with local funds.

The Arad People's Council stimulated workers of the 30 Decembrie, Progresul, Refacerea, Sovrom-Constructie, and Copmetal factories to deliver all parts ahead of time. The hatchery will contribute to the development of poultry raising at state farms and collectives.

MILK, MEAT QUOTAS DELIVERED -- Bucharest, Romania Libera, 18 Mar 53

Deputies of the Baia-Mare Regiune People's Council carried on a sustained campaign to urge individual peasants to deliver their quotas promptly. In Leordina Commune deputies and many peasants delivered their quotas of meat for the whole year, and the majority of peasants delivered their meat quotas for the first two quarters of 1953.

Peasants of the Ardasat Commune, Somcuta-Mare Raion, delivered more than 3,000 kilograms of meat and 5,000 liters of milk for 1953.

Independent peasants of Berinta Commune delivered their meat quotas to the state on time. Many peasants delivered their full year's quota in advance. Peasants in other communes delivered their quotas at least for the first quarter of 1953.

DAIRY WORKERS BECOME STAKHANOVITES -- Bucharest, Romania Libera, 4 Feb 53

Milkers at the Voiteg State Farm, Timisoara Regiune, delivered to the state considerable quantities of milk in excess of quotas. Five milkers at this farm were recently awarded the title of Stakhanovite and were given monetary awards.

They exceeded quotas as follows: Ecaterina Radovan, by 8,937 liters of milk for 1952; Teodor Bulzan, by 26 percent; Eva Wegl, by 4,425 liters of milk; Ecaterina Mueller, by 6,044 liters, and Elena Tiplea, by 2,078 liters in 6 months.

STATE FARM PLEDGES TO EXCEED QUOTAS -- Bucharest, Viata Sindicala, 10 Jan 53

The Nicolae Balcescu State Farm of Peris, Bucharest Regiune, pledged to exceed quotas by 670 young pigs, 100,000 liters of milk, and 200 tons of grain. It also pledged to increase productivity 6 percent more than planned and to reduce costs by 10 percent. Workers at this farm promised to achieve savings of 700,000 lei on the administration of the farm by the end of 1953, and to prepare enough seeds for spring planting to cover 4,500 square meters.

NICOLAE BALCESCU STATE FARM RECEIVES RED BANNER FOR PRODUCTION -- Bucharest, Viata Sindicala, 19 Feb 53

The Nicolae Balcescu State Farm of Peris, Bucharest Regiune, received the Red Banner for production as the leading farm of the country for achievements during the second quarter of 1952.

The state farm exceeded its quota 50 percent for fodder plants, 30 percent for vegetables, and 40 percent for vineyards. The farm also had outstanding results in animal raising. The milk production plan was exceeded 15 percent. The farm delivered 80,000 liters of milk and 28,350 kilograms of hogs in excess of quotas.

CIRESU COMMUNE LEADING IN MEAT QUOTA DELIVERIES -- Bucharest, Romania Libera, 20 Feb 53

Ciresu Commune, Turnu-Severin Raion, Craiova Regiune, led the raion in the fulfillment of the collection plan for agricultural products in 1952.

This commune made every effort to lead in deliveries of quotas again in 1953, and started delivering meat quotas to collection centers even before receiving its 1953 quota figures. For example, three individual peasants in the commune delivered close to 100 kilograms of meat in the first days of February 1953.

SULINA FISHERY EARNS RED BANNER -- Bucharest, Viata Sindicala, 7 Feb 53

The Rasaritul Fishery of Sulina, Galati Regiune, earned the Red Banner for the first quarter of 1952 and fulfilled its quotas for the whole year 2 months and 10 days ahead of time. The fishery has two brigades of Stakhanovites and 18 leading workers. The Stakhanovite brigade headed by Achim Dunaev fulfilled its quota 137 percent, and the youth brigade headed by Leonte Saraev fulfilled its quota 136.5 percent. However, the regiune council does not show interest in the progress of the fishermen and does not give them enough assistance to do better work.

PREPARES FOR SPRING FISHING -- Bucharest, Romania Libera, 1 Feb 53

The Delta Fishery in Tulcea, Galati Regiune, is making every effort to increase production and to improve working conditions. The fishery repaired 36 lake trawls, 55,000 basket nets, 2,500 herring nets, and 10 large fishing nets, and produced herring nets, sturgeon nets, lake fishing nets, and 100 new canoes in its workshops.

Winter fishing was organized according to Soviet methods. The fishermen repaired 40 large nets and 8,000 basket nets for ice fishing, and built 30 sleighs. Fishermen in the Peripova and Chilia sectors finished their monthly quotas in 25 days.

BUILD FISH POND -- Bucharest, Romania Libera, 8 Feb 53

A fish pond was built in Ramnicelu Commune, Braila Raion, Galati Regiune, near the Buzau River, in 1952. The pond covers an area of 14 hectares. It was stocked with selected fish and was turned over to the 23 August enterprise for exploitation. The fish multiplied in one year from  $1\frac{1}{2}$  to 6 tons.

The 23 August enterprise is now helping the Stefan Plavat collective of Ramnicelu Commune to build another fish pond near the Buzau River, and has promised 3 tons of fish to stock the pond.
